Commissioner for Patents

The reply filed on 10/17/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to the office action mailed on 11/30/04, applicant submitted an amendment on 2/26/05; this amendment amended the claims to delete the limitation "wherein the dietary fiber gel comprises insoluble dietary fiber". However, the amendment was not proper and a notice of non-compliance was mailed on 8/24/05. In response to the notice, applicant submitted another amendment on 8/24/05; however, the amendment was not proper and another notice of non-compliance was mailed on 9/14/05. In response to this notice, applicant submitted another amendment on 10/17/05 in which the limitation of "wherein the dietary fiber gel comprises insoluble dietary fiber" was inserted. However, in applicant remark which was filed on 2/26/05, applicant states that the claims have been amended to delete the limitation that was added in the Sept. 2, 2004 amendment. Thus, it is not clear which set of amendment applicant desires to be examined because the latest set of amendment filed 10/17/05 was not consistent with applicant's remark filed on 2/26/05 because the objectionable limitation is added back in. Clarification is requested as to which set of amendment is to be examined because there are inconsistencies among the amendments and applicant's remark. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
